

Mp3 Gioron T. Wilkins Sr. - I Can Do All Things

[DOWNLOAD HERE](#)

Former guitar player of "The Isley Bros.", Gioron's Funky style, and contemporary jazz sound, with some acoustic guitar work, will give you an experience of comfort and uplifting gradification through his album. 14 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Mood Music Details: Gioron T. Wilkins Sr. is the former guitar player of the "Isley Bros." He has worked with the "Isley Bros." on stage in live concerts before thousands of people. Songs like, "Whose That Lady", "Summer Breeze", "Fight The Power", to name a few. Gioron's Funky Style of guitar playing for over a period of 37 years has led him to a contemporary jazz sound, full of funk and flavor. On this album, he has composed, and written every song, and played just about every instrument on every song on the CD. Gioron has done arrangements for an off Broadway play at the lambs theater in New York City. He played guitar for the heavy weight champion Joe Frazier. He has worked with the "Shirells", and many others. The brother has been around the block a few times. Until now he has not felt led to do an album at this level, a level he felt was good enough to him. There is some acoustic guitar work on this new CD, along with his well known electric guitar sound. You might hear some Isley Bros., mixed with some George Benson, and Santana wrapped up in one CD. With the many different styles of music on his new CD, it will leave you comforted and up lifted, stirring your heart, and soul like never before.
