Details: ENGAGE is a collective work produced by Mark Groutas, Pastor of Worship at Lake Hills Church in Austin, Texas. As a musician and songwriter, Mark has helped to modernize the sound of sacred music, helping it to resonate more deeply with today's culture. ENGAGE is Mark's most recent work, and it features some of Austin's finest musicianship! David Grissom, currently with the Dixie Chicks and formerly with John Mellencamp, provides a dynamic lead guitar flavor. Jonathan Branch offers more guitar work, including an instrumental acoustic piece, that will reach into the soul of the listener, and the much-travelled David Hamburger offers his enviable Dobro talents. Drums were played by Steve Samuel, whose contributions to the music world span multiple countries and multiple renowned artists (Natalie Cole, Jerry Jeff Walker, and a host of others). The band is rounded out by bassist, Evan Arredondo, considered to be one of Austin's premier players and perhaps it's very best Jazz player AND Jamie Hilboldt, one of Austin's highly demanded pianist/keyboardist and Organ player. In addition to this collection of world class players, Will Hunt (Rocketown Records, Rebecca St. James) provides a taste of his unparalleled loops and sampling. If you love music and songs that reach deep into the heart, expose yourself to this album. You won't be disappointed!
