technicolor americana slice of pop culture pie 11 MP3 Songs ROCK: Americana, HIP HOP/RAP: Trip Hop
Details: Red Delicious is American music in a blender. With literary lyrics and fun digs on American culture, Red Delicious serves up randomness. From the nine-year old rapper Baby Brooke spliced into the Skynardesque "Above This Town" to the spacy trip-hop of Anyway. All the way through the country twang of the old school honky-tonk duet "Your Ghost," featuring Erik Koskinen. It's messy. But it's good.
