Mp3 Milieu - Of The Apple

DOWNLOAD HERE

Lush formless melodies intertwine with salt-water erosion and reverbs that touch the stars, recorded completely with only guitar, organ and cassette tape. Milieu visits an idyllic landscape completely removed from all civilization and Of The Apple is the 12 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Show all album songs: Of The Apple Songs Details: Lush formless melodies intertwine with salt-water erosion and reverbs that touch the stars, recorded completely with only guitar, organ and cassette tape. Milieu visits an idyllic landscape completely removed from all civilization and Of The Apple is the solitary document of such a place. Like a lost message in a bottle, a white sun setting over a blue ocean, or a treehouse asleep in a giant sequoia, this album is an absolute essential for anyone fond of Brian Grainger's ambient work. Pressed on 300 colorful digipaks.
