

Mp3 Mykal Somer - Element Of Surprise

[DOWNLOAD HERE](#)

Roots reggae and soul. 14 MP3 Songs WORLD: Reggae, WORLD: Island Details: A tenacious and uplifting modern roots reggae artist has emerged with a lyrical depth and emotive vocal prowess that puts him in a league of his own, but also beckons and likens onto his forbears and contemporaries such as Garnet Silk, Sizzla, Junior Kelly, Ras Shiloh and Warrior King. Mykal Somer (pronounced summa) is his name and conscious, lyrically uplifting roots reggae is his game. Out of the shadows of the school of life Mykal Somer emerges into the limelight and launches his musical assault with this powerful explosion of 14 original mind-engaging tracks. Like an Element Of Surprise, the album of the same name packs a serious punch and one wishes his musical blessings had arrived sooner. No fear, youth is on his side and this, his first musical outing, is a righteous taste of whats to come. Guaranteed, this is one album that will stand the test of time, destined for endless rewind. Mykal Somer, singer/song writer and producer is known to be an artist with spiritual beliefs. His music reflects upon the struggles of man, the respect he has for women as well as the rewards that can be gained spiritually if one believes in a higher power. From Mykal Somer you can expect to hear powerful words of culture, spiritual belief, love and lyrics about reality, with a singjay style which is very unique. Mykal Somer born as Dwayne Somersall on the 9th of September 1976 in Half Way Tree, St.Kitts. As a youth, Mykal Somer was very determined and self motivated. He grew up with a strong cultural background enriched with reggae music, which became Mykals only true love. Mykals love for music started around the age of 14 years old. He began listening to the words of the great Bob Marley, Lucky Dube and other cultural legends, which really inspired him. As a result Mykal decided to pursue his career as a musician and a messenjah of The Most High. Mykal Somers singing career started at the age of 17, when he performed at a local high school in Basseterre, St. Kitts. At this time reggae music was at its peak in St. Kitts. After 2 years of performing locally and

getting the support that he wanted, Mykal decided to move to the United States to further his music career. After several years of hardship and struggle singer/songwriter and producer, Mykal Somer releases his first album Element of Surprise under SMG Somer Music Group, Inc., which is self-owned.
