Dubbed as "rootsy alternative" by one reviewer, and with "hook-filled arrangements" by another, Nicki's music digs deep to deliver meaningful lyrics and grooves. Nicki's songs are in the pop, folk, and roots rock genre, and travel through the whole range of life experiences, from great joy to despair. The band rocks when one needs to rock out and laugh, then hits the brakes and becomes intimate when solace or sorrow finds it's niche in a more soulful groove. Over the past six years, the Nicki Glasser Band has been performing at many venues and events in Massachusetts. Nicki's eye-catching stage presence, passionate delivery, and catchy grooves combine into truly inspiring songs not to be missed. Nicki's extraordinary talent as a songwriter comes from the wisdom she gained in surviving many difficult years and her ability to translate that into art. In the Nicki Glasser one finds strength, power, vision, and understanding, it is a ride which goes somewhere and offers something that is the core of our very existence.
