The debut album "Let's Get It.." incorporates a lush mix of downtempo electronics, deep bass rhythms, melodic guitar journeys and vintage key grooves. Mix jazz, hip-hop, soul, techno, and rock, then stir. Features former members of Soak, 16volt and Larry. 15 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Funk Details: BIO: OHN formed when a diverse group of musicians from several known Austin bands found a common musical ground. While recording at Romper Room Studios, a lush mix of downtempo electronics, deep bass rhythms, melodic guitar journeys and vintage key grooves was born and shaped into what is now their debut album, "Lets Get It...". Bildeaux, founding father, programmer and producer, is a former member of Los Angeles' 16 Volt, as well as a former member of Austin's Soak. Guitarist Chal Boudreaux also hails from Soak. Chris Forshage has played with many acts including Larry, Grass, Groovin Ground and Eden's Plot. Andrew Tachovsky is also a guitar veteran, previously sharing stages with Chris in Pura Vida. Ryan Blum-Kryzstal plays keys and sings with Oceanic, and Sugar has played drums and samples with many Austin bands such as Retarded Elf, House in Orbit, Soak, and Burn. Members: Chal Boudreaux: Random (Guitars, Bass) Bildeaux : Producer (Loops, Samples) Chris Forshage: Lead Guitar (Bass, Guitar, Electric Sitar) Andrew Tachovsky: Rhythm Guitar (Funkmaster) Ryan Blum-Kryzstal: Keyboards (Soul) Sugar: Drums (Vdrums, Loops) Quotes: "Finally something refreshing and new that stands out in the sea of nonsensical music." - DJ Nick Nack "OHN soothes the urban cowboy's soul with funkified synth jags, rock guitar whinnies, big bold beats, and Austin [TX] attitude." - Jettatura "OHN is part of a lengthy list of cool new music you'd never think came from Texas." -Bavu Blakes
