Rick currently lives in Las Vegas but for this CD he returns home to take a musical snapshot of the Milwaukee jazz scene and legendary guitarist Manty Ellis. STANDARD TIME is a collection of standards performed as you would hear them if you went to a jazz club in Milwaukee the result is spontaneous and real. The CD was recorded at Sound Sound Studios in Milwaukee with the exception of I remember Clifford which was recorded with Milwaukee born pianist Billy Wallace at Ricks studio in Las Vegas. The CD includes Dorothy Dale singing Ill Be Home for Christmas in dedication to our men and women of the armed forces.
