Southern Music at its finest. Dirty South music coming out of Columbus GA. 19 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hip Hop Details: Robbiejames, birth name Robert Barnes, is a hip hop artist living in Columbus GA whose goal is to secure a record deal. Robbiejames wants to be known as one of the most professional businessmen in the music industry. Through his hard work Robbiejames produces a high quality result that exceeds the competitors. Currently Robbiejames has released his independent album titled "Let The Truth Be Known." With the help of a great line up of producers to handle the music creation, Robbiejames wrote all of his vocals as well as designed and created his own album artwork. But his work does not stop simply at crafting vocals or designing album artwork. Robbiejames has taken it many steps further by obtaining his own masters, copyrighting his album with the U.S. copyrights office in Washington D.C., registering the album with soundscan, assembling a personal studio, engineering 9 out of the 19 tracks on the current released album, designing and producing the layout for promotional posters and flyers, and becoming a member of ASCAP. Although the current release is independent it is retail ready to include shrink wrap, spinal labels, and equipped with a fully working barcode of which Robbiejames owns all rights.
