One of a kind production with a skillful lyrical delivery. 10 MP3 Songs HIP HOP/RAP: East Coast, URBAN/R&B: R&B Rap mix Details: Hello World! I like to keep it short ands sweet. Tis is THA BIG BROTHA in the house! I must let you know off the top I am here to introduce myself to everyone possible. I am from here, there and everywhere. I am on tha constant go doin shows traveling all over god knows whereva spitin lyrics... I have been in tha industry for a while. I must admit that the journey has been long and hard, but daily challenges keep me on the grind. I feel so strongly about this game because things neva came to me easily. I been rapping - battling and performing for a minute and I am definitely on top of my game. Have you checked out my music yet? It definitely speaks for itself. All kinds of shit I had to deal with all my life. So when you hear my lyrics you can only imagen. I can tell you that I was not always a righteous person. I was living just like all those folk hanging out on the corners doin whateva I wanted, in and out of the system until one day I was lookin at 20 years hard time. I beat that charge and I reconized that it was only one being that got me out of it. Try the higher power GOD! So since that day I had only one thing on my mind and that was to do my thang tha right way. Along with so many results, came so many haters that it ain't even funny. I even made a song out of it cause I reconized just what a hater really is. People smiling in your face asking you for stuff and at the same time stabbing you in the back. From the first time I heard rap music I was hooked. I was rapping at school. I would go to others peeps school just starting battles because I understood what my gift was. I was going to the skating ring and every where I could go just to battle and there was no stopping tha Big Brotha. It became my life, my love, my inspiration, my goals, my dreams, my aspirations. I know who I am and I understand you got you and I got me. Some rapping icons that would be top on my list would be the great "BIGGIE SMALLS", "KOOL G RAP" and "RED MAN"... Yeah that is what I'm talking bout.... Check me out and bring your friends once

you hear the product - man it will be in your skull for days. ADVICE I WOULD GIVE TO ALL: "JUST LOVE ONE ANOTHER" Shout Out To Problem Child Productions.
