

Mp3 The Ken Myers Project - Still Life

[DOWNLOAD HERE](#)

An ambient journey of which others have called 'truly relaxing, and meditative', Ken Myers' music is designed for that very purpose. A wonderful blend of acoustic orchestral and electronic instruments. 12 MP3 Songs NEW AGE: Ambient, NEW AGE: Relaxation Show all album songs: Still Life Songs Details: Two years of extensive internet promotion and what some have called 'excellent works of music' has conjured up hordes of new fans from across the globe who have found this music quite useful for them in their lives. The ambient music composer Ken Myers' third CD release "Still Life" offers entertainment as well as a peaceful backdrop for the listener's environment in a style similar to ambient artists like Harold Budd, Enigma or Tim Story. Carefully crafting a mixture of acoustic orchestral instruments and midi electronics Ken's approach as always is simple but effective. The twelve tracks offered here will engage the listener, one track after another, on a journey of sonic bliss, discovering the beauty that lies within.
