

# Mp3 Toadsuck Symphony - Country: Bluegrass

[DOWNLOAD HERE](#)

Bluegrass instrumentation, four part vocals, and great hit tunes from the 1960s and 1970s (Jimi Hendrix? The Beatles? The Zombies?) make for the unique Toadsuck Symphony sound. 12 MP3 Songs

COUNTRY: Bluegrass, FOLK: Folk Pop Details: Taking their name from an historic Arkansas River crossing, Toadsuck Symphony has entertained audiences with their special brand of newgrass music for over a quarter of a century. While the band has had various members over the years, 4 of the 5 current players are from the original group formed in the fall of 1976. Touring extensively in their early days the group developed a well founded reputation for being different. Drawing from a wide variety of musical influences Toadsuck Symphony continues to search for material that keeps their listeners guessing as to what's coming next.
