Parents spend a good chunk of time making sure their kids are okay-they're getting good grades, doing their chores, and doing just enough cleaning that their rooms won't be condemned if the Board of Health happens to drop by. 21 Ways to Connect with Your Kids offers a straightforward, workable plan to create new avenues of connection between parents and their kids. This handy guide coaches moms and dads to do one simple thing each day for three weeks to connect with their kids. Daily connection ideas include: planning a family fun night, telling your child what you like about them, developing a character growth chart, writing a love note to your child, working together on a family project. Written in Kathi's warm and compassionate but thought-provoking tone, this book will motivate parents to incorporate great relationship habits into their daily lives and give them confidence that they can connect with their kids even in the midst of busy schedules.
