[Insert Your Date Here] Dear Friend, Do you have this sinking feeling that no matter what you do or how
hard you try, you will always wind up falling short when trying to utilize affirmations? Its crazy... No matter
how hard you try and utilize affirmations to accomplish goals, whether big or small, it is always missing
the mark. Even after trying all the tips you have learned along the way, it just doesnt turn out well... When
I started using affirmations, I wasnt having much success either... I thought that by just by saying a few

positive words each day, there is no way I can go wrong... But I always fall flat on my face! Little did I realize that... Not Only Do Most People Fail Miserably In Achieving What They Want With Affirmations, They Always Utilize Them The Wrong Way... Lets be truthfully realistic here The majority of the world do not utilize affirmations correctly. This is a sad fact and you may be one of them. Please dont get worked up when I say this because this is just a realistic look at it. The reason why I say this is because most people think they are doing great in life and achieving success - unfortunately they subconsciously believe that they cant do anything right! So what does this has to do with getting results and affirmations? Everything, in fact! Only when you truly know how to utilize affirmations and have the correct tools, will you have really strong, unstoppable belief when it comes to accomplishing your goals. Thats the secret to success! But this still doesnt solve the whole problem of believing in yourself yet... Make no mistake about it... You Need To Have A Strong Belief, But Without The Right Tools (Audio) You Wont Get Very Far... Why is it that people still fail in spite of wanting something? Yes you can say that they dont want something bad enough - but that is not truly the case. Other times, people lose faith because it seems as if what theyre doing isnt working. Perhaps they feel that affirmations are inconvenient and havent discovered audio. Perhaps youve felt that: - You tell yourself you can run 2 miles but half way, you feel tired and you rest... - Other times, you see no results - You want to connect with others but you lack the courage - Discouragement sets in... - You dont have the belief anymore... At the end of the day, you realize that not only is it important to have a big dream and use affirmations, but you dont have the right tools to keep you going. You can only stretch try to do it alone so much before you get exhausted. Discouraging, isnt it? But heres the good news... What If You Had And Could Provide The Exact Tools Necessary To Rewire Mindset And Begin Getting TRUE Results With The Ease Of Audio?
