A distress community in a bid to find lasting solution to its territorial problem traced it to the Criminal Divisional Jackboot officer whom after his transfer to the town crime rate suddenly increased. The people severally appealed to the commissioner of Jackboot and the state government did not get any feedback decided to lean on faith for survival but faith was a compromising factor when arm robbery cases were recorded until a final showdown that almost rocked the whole community. Armed men in broad daylight invaded the only bank, in the community and successfully made away with large sum of money. The Jackboot was alerted but delayed its response, with a cover story of not having ammunition. The provoked youths of the town burnt down the Jackboot station. Consequently the government intervened by sending Jackboot officers to Massacre the citizens in cold blood thereby turning the town to a deserted zone.
