Legend's Passion Jaci Burton Part of the Devlin Dynasty series and loosely connected to Midnight Velvet. Dylan Maxwell-code named Legend-an agent for the National Crime Agency, has orders to take down a serial killer tearing apart victims like a wild animal. He's to meet his informant in the park, but he doesn't expect someone like Chantal Devlin-a hot, sultry and sexy woman with a bold proposition. Intrigued, he follows her, only to uncover one very life-changing secret in the dark fog. Chantal Devlin thinks she's meeting a fellow werewolf to let off a little steam. All work and no shifting makes a she-wolf very cranky. But when a case of mistaken identity places her in the arms of one hot, sexy man who's all too human, one passionate encounter leads to a huge mistake that will alter both their lives forever. Now they're forced to work together to find a killer, while learning to adapt to the changes brought about by a moment of passion under a full moon.
