"What lies beneath" can only be described as a classic. A pluss out shines the competition with his clever lyrics and energetic delivery. This is hip hop at it's best, reminiscent of the old. If you like originality you'll love A pluss. 16 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Born and raised on the north side of Omaha Nebraska, Patrick Barnes a.k.a, A Pluss grew up in a single parent home. Just like many other Mc's The street life provided the drama that has created another brilliant mind with a story to tell. After a few brush-ins with the law and the birth of his first child, A Pluss decided it was time to right his life and his love for music would be the one thing to put him on the right track. As evident on his debut album, "What Lies Beneath" he has unquestionable talent. The 6ft 4-inch rapper delivers the best hip-hop album to come out of Omaha. It is consistent throughout with energizing beats, solid lyrics and infectious hooks. With instant classics like, "Thug in my blood", "Hustler fo life" and "What lies beneath", A Pluss has solidified his position as one of hip hop's finest Mc's on the rise. Some of A Plus's Musical inspirations include Jay Z, Dr Dre Jermaine Dupri, Master p and DJ Quick. The album was produced by Serious A.k.A Boy Mysterious. He is also featured on 4 of the tracks.
