Poetic lyrics ride a smooth wave of melodies driven by outstanding instrumentation in this eclectic mix of pop tunes that taste like jazzy, funky soul with a dash of americana love. 9 MP3 Songs POP: Folky Pop, FOLK: Power-folk Details: Craig has been writing and playing accoustic based music all over the United States for nearly two decades. This, his first recording, is a combination of original tunes written over the past few years. With great detail to lyrics, he has combined his sensitivity to life with melodic tastefulness to create songs that are sure to stay with you. With the help of an outstanding group of Northwest musicians, he used a variety of sounds including piano, mandolin, slide guitar and strong vocal harmonies to give this record a feel that touches genres from Jazz to Funk. Originally from the mid-west, Craig recorded this album in Missoula, Montana where the mountain air blended a sense of peace into the songs. Now residing in St. Petersburg, Florida, Craig continues to pursue music and hopes to spend the summer touring and spreading his music across the country.
