Details: Born and raised in the suburbs of New Jersey, David Feygin has been singing since he was just 6 years old. Being the son of Russian immigrants, David was raised to appreciate the richness of traditional classical music, (his mother being an accomplished violinist) and has developed a rich musical palate that has allowed him to merge the past into the present. Feygin delivers a pop song or an aria with the ease and beauty of Andrea Bocelli; the magnetism of Elvis and the edginess of Jeff Buckley projecting a sound that has nicknamed him a young Caruso. As a teen, Feygin studied under the tutelage of world-renowned composer/conductor Johannes Somary. Somary took young David under his wing and provided top-notch technique training from a myriad of vocal coaches and teachers, with qualifications ranging from the Manhattan School of Music, Berkeley College of Music, and the Metropolitan Opera. Recently, the 22-year old Feygin brought the house to their feet in a performance at The Cutting Room, one of New York City's revered nightspots. The audience was captivated by Feygin's re-imagining of classical compositions like the Sonetto 18 and the theme from Romeo and Juliet A Time For Us His performance, combined with his witty personality and sultry good-looks, makes him a force to be reckoned with. Now, Letter To A Girl, his debut album, is completed. Produced by award winning, Hungarian-born producer Miklos Malek (Celine Dion, Jennifer Lopez, Anastacia), David has had the chance to express his own eclectic personality, by pulling together a unique sound that proves youth and charisma still lives deep in the heart of the classical world. Feygin sings in Italian, Spanish, and Russian, adding an international flavor to his music, supported as well with the mixing and arranging style of Malek. The title track, Letter To A Girl is riveting, as Feygin uses the words of the brilliant but troubled Russian

poet, Sergei Yesenin, and delivers a heartfelt performance not to be forgotten. Other great tracks include, Untitled, an awesome recital of Neil Diamonds Love on the Rocks, as well as Dance With A Stranger, which has already received critical acclaim throughout the dance world, and is currently being featured by DJs across the NYC club scene. Feygins voice shines a new light on the classical contemporary genre, as his fervent and artful renditions are like no other.
