

# Mp3 Gareth Kear - Bucks County Guitar

[DOWNLOAD HERE](#)

Instrumental folk fingerstyle, blues, celtic acoustic guitar (with a touch of electric) inspired by the rural surroundings of Bucks County Pennsylvania - and the guitarist's family. 14 MP3 Songs BLUES: Acoustic Blues, FOLK: Modern Folk Details: After over 25 years of playing, Gareth Kear has been involved in everything from blues bands to classical guitar and film music - and other styles in between. After moving to Bucks County Pennsylvania, he developed a folk sound inspired by the rural landscapes north of Philadelphia. Though his classical training help established a strong fingerstyle technique, there are many hints of Hendrix and Stevie Ray Vaughan in his "plectrum" playing. If you enjoy a diverse collection of guitar sounds and moods, this will be the perfect listen.
