A collection of unreleased tracks and demo cuts the band recorded solely for marketing and promotion purposes. 10 songs appear on this release, featuring the first official commercial release of the band's hit single 10 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: APG was formed following the end of two popular Cleveland bands, Gatlin and Another Path, at the end of 2004. Combining a wide array of hard rock influences, APG's style can best be described as heavy, grooving modern rock with massive hooks. The most dominant aspect of the band is their live show, which is already attracting hundreds of fans in the Cleveland area alone. Onstage, the band puts forth an energy and attitude rarely seen in many unsigned bands, and this energy is - in a nutshell - what the band is all about.
