Japanese electronic music 8 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Funk Details: HIMIKO BIO Himiko, an innovative composer, arranger, and keyboardist has produced 3 electropop albums in 2005. They are pop-crossover "Mai", dancy "Mugen", (see quotes on the other page) and J-electronic "Shippo o tsukame". The first 2 were released in 2005, and did great on Canadian college radio stations. "Shippo o tsukame" will be released in January 2006. She was a driving force of the band called The Heavy Metal Jazz Concepts. The 1st release entitled "Heavy Metal Jazz Concepts" is an inventive fusing of rock into traditional jazz songs. The 2nd album "Heavy was a Sweater", rock jazz fusion, consisting of Himiko and her musician friends' original tunes. This was charted at #6 top 20 jazz in National Canadian college radio chart (earshot). Born in Saitama, Japan, Himiko relocated to North America and attended The University of Michigan, where she graduated with highest distinction. Her current home is in Alberta, Canada, where she graduated from Grant MacEwan College on the Dean's list, with honours and an A.A. performance major in keyboards with distinction. During her tenure at college, Himiko was awarded music and radio scholarships, following that she received a Foundation To Assist Canadian Talent On Record Grant. This demo recording of her original smooth jazz material "Sensually Yours" reflected to #17 top 20 jazz in National Canadian college radio chart (earshot). Renowned and respected pianist Charlie Austin states "She is a very talented jazz pianist and composer whose work reflects her deep commitment to not only the art of jazz but also to the depth of feeling, finesse, caring and intellect with which she presents her work! She is truly worth listening to! She will convince everyone with her strong emotional expression". She has an innate, elastic talent for composing that is strong and skillful. Himiko's compositions and skill evidenced by her new recordings will establish her as an important voice in the electronic music world. electronicahimiko himiko@electronicahimiko.com
