I never thought that it would take so long to be able to produce the music that is on this CD called Simple Soulution. However through the help of my brethren William Berr Cosey and his Queen Karen, who introduced me to Wayne Maestro Stalling, I can finally give thanks for a dream thats been fulfilled after 19 years. Praise Jah Rasta Fari almighty God, from whom all blessing flows. I thank my family for having faith and putting up with me in pursuit of this creative endeavor.
