Part of the global artist network series - electronica ambient for the 21st century. 13 MP3 Songs  
ELECTRONIC: Down Tempo, NEW AGE: Ambient Details: Selected digital tracks from "World Wide Kind 1" and "World Wide Kind 2". "This Intelligentsia Network compilation again brings together an eclectic mix of musicians from all over the world whose music straddles the borders between the old style instrumental styles of JM Jarre et al more up-to-date electronica (with quite a few new names, I'll wager). The 'anything goes' approach that is the label's hallmark makes for an unpredictable, but always melodic accessible, will soon shake you out of any reverie!" CARL JENKINSON
