

Mp3 Jamie - Moving On

[DOWNLOAD HERE](#)

My music guitar based pop/rock which are all about my life.. Cheeky tunes, serious songs, and sad but true. 10 MP3 Songs POP: British Pop, POP: with Live-band Production Details: Jamie sold my house to make this album and have totally dedicated my life to my music. Jamie and his band ' Jamie and the first class' are the resident band for School Disco at Hammersmith Palais in London. See schooldisco.com

Jamie is a singer songwriter from Bray has been performing on stage from an early age and has performed at over 800 venues including The Barbican, Old Trafford and The Civic Hall. Jamie writes music about true personal experiences in his life that people of all ages can relate to. Jamie started off singing in the choir, playing violin piano at prep school. At secondary school he started playing drums then progressed to guitar at 16. He toured the country after leaving the Academy of Music in Guildford and relished life on the road. In 1999 Jamie started writing and recording his own material full time and decided to front his own band. Jamie's voice has been compared to the likes of Steve Harley, Marc Bolan, John Lennon and Bono . The music and lyrics are often associated with Crowded House, The Jam, The Specials, Billy Bragg and The Stereophonics. radio success Jamie's 5 singles have been played by over 100 radio stations in England, Scotland, Wales and Northern Ireland. Most notably Virgin, Capital, Radio 2, Heart, Wave, Star FM BBC radio. Jamie appeared for live interviews on STAR FM BBC Radio, Blast 1386, Kestrel, British Forces Worldwide, 210 FM, Reading 107 and Wave FM. His songs have also been played in France, Canada, Turkey, Greece and Slovakia. Tour of Schools - Jamie has been performing in schools and helping pupils to get involved in the music industry in a voluntary project funded by himself. He has also given free music workshops to GCSE students to improve performance and composing skills whilst teaching industry structure. 'what they said' - feedback from those who know ' These songs are potential commercial hits' Chris Tarrant, Capital Radio ' Oh yeah, Mobile Phone and All the money are all

potential hit singles' Andy Whitmore, Producer with 6 No1's 'The presentation of this project was very impressive' Guy Moot, Director of EMI 'Stop hassling me' Chris Evans, Virgin 'Keep trying and you will get the break you deserve' Ray Fisher, Unit 2 plus 4 'You are a very talented young man' Eric Hall, Monster
Monster (Discovered Queen)
