

Mp3 Katie Garibaldi - Fireflies

[DOWNLOAD HERE](#)

This acoustic guitar player and singer/songwriter combines soft and soulful vocals with skillful guitar rhythms along with thought-provoking lyrics, providing a promising mixture of quiet relaxation and upbeat rejuvenation. 16 MP3 Songs ROCK: Acoustic, POP: with Live-band Production Details: It would be difficult to place a label on Katie Garibaldi's music, let alone try to compare her thought-provoking lyrics and creative guitar rhythms to those of other recording artists. So when asking Katie's dedicated listeners to describe her music, they stray from settling on a comparison and declare that Katie is an absolute original. A strong believer in the healing power and therapy of music, Katie creates songs that dive into universal emotions of love and pain. Her soft and soulful vocals blended with her skillful acoustic guitar playing make it clear that song writing is not only Katie's talent, but her evident passion. Whether listening to her CDs or watching her live performances, listeners experience empathetic embraces as Katie's introspective insights touch every person involved. Katie Garibaldi's latest CD release, "Fireflies," is a collection of songs that bring listeners deeper into insightful reflections on love and relationships. The CD is almost a mini-roller coaster, delivering experiences and messages that touch on real emotions of a typically curvy ride of any relationship. Offering an escape to listeners, the CD provides a promising mixture of quiet relaxation and upbeat rejuvenation.
