Phone off... lights out... lie on the floor... eyes closed... volume up. This is no tired cliché-train chugging along the same old worn-out track, but a sonic journey twisting through an ever-changing landscape of sounds, thoughts, and atmospheres. 10 MP3 Songs POP: Pop/Rock, ROCK: Progressive Rock Details: Songwriter Kirk Gramcko, having traveled all over the musical landscape for years, has returned home, bringing with him a gig bag filled with 10 original songs for his new CD Bigger Than Me. Energetic and engaging, this CD strikes an ideal balance over a range of styles and moods, from high energy rock roll (Gimme More), to melodic lyrical laments (Whats the Matter With Me and Tears Wont Come), to selections that fall into those hard-to-pin-down genres. Just listen to the title track, Bigger Than Me, with its surreal sonic reverberations, mystical lyrics, and panoramic images. Contrast that with Nineteen which combines a frenzied, driving pulse with a haunting, achy feel. The collection on this CD is no tired cliché-train chugging along the same old worn-out track, but rather a sonic journey twisting through an ever-changing landscape of sounds, thoughts, and atmospheres. Speaking about the art of songwriting, Kirk commented, It starts with a guitar on my knee...for me, the music always comes first. As it evolves, a phrase or rhythmic element will start to grab and take hold. Then, as I play with it, the music begins to evoke images and feelings which lead me to where the lyrics are hiding.
