Mark grew up singing in church and at Sunday Sings. Music has been a part of Mark's life since the age of six. It was evident that God's hand was on him at that time. By the time Mark was in his teens, he had started his own singing group and was performing at youth meetings and banquets. When Mark graduated from High School his dream came true when he was asked to sing tenor with the "New Apostles Quartet". He traveled and sang for the next year throughout Michigan, Indiana, Ohio and Illinois. Mark then moved to Arizona and there he experienced the ministry of the "Festival of Praise". He saw something in them that he wanted to be a part of. He auditioned and was asked to be a member of "The Spurrllows". For the next two years Mark traveled throughout the country leading people in Praise and Worship through this ministry. During this time Mark left the road for a full time position as Minister of Music with the Assemblies of God. Mark recieved his credentials with the AG and served for over twenty years in some very great churches across the nation. During this time Mark ministered in song on such notable Television programs as TBN's "Praise the Lord", Canada's "100 Huntley Street" and Jim Bakkers "PTL Club". He has been blessed to share the stage along side some great ministers of song and word such as Karen Wheaton, Jesse DuPlantis, Phil Driscoll, Gordon Jensen and many others! Mark has developed a "Passion for God's Presence" like never before and wants to take people there through Worship and Song. Over the years Mark has grown greatly in the word and has a true sense of the Holy Spirit's leading in the worship service. God has birthed many choruses and songs through the writing gift that He gave to Mark. You will

be blessed by the anointed music. Mark has two recording projects to his credit. The latest being his new CD on the Desert Rose Label entitled "Brand New Day of Grace" containing nine original songs by Mark. At present Mark lives in Florence Alabama with his wife Ruthie and they are available for music ministry. Listen....enjoy and be Blessed! That's our prayer!
