We are excited for this opportunity to revive the musical relationship shared by our legendary lineage, guitarist CHET ATKINS (Meagan's great-uncle) and pianist FLOYD CRAMER (Jason's grandfather). What an amazing experience it has been to produce this album. We were so fortunate to record in HISTORIC RCA STUDIO B - where Uncle Chester and Grandad worked together on countless hit records through the years - on the studio's 50th anniversary. Plus, Boots Randolph and Charlie McCoy lent their matchless talent to the album, and the project was co-produced by industry veteran Bil VornDick. Visit our website...
