Australian acoustic guitar virtuoso Michael Fix: "After 15 years, seven solo albums (plus assorted EPs), a few laps around Australia and seven European tours, I thought it time to pause, rewind and reflect." 18 MP3 Songs EASY LISTENING: Instrumental Pop, FOLK: Fingerstyle Details: review from minor 7th: "...Fix takes us through the past 16 years and 7 solo guitar records, and we get to hear the ways he has bent, slapped, plucked and massaged the 6-string -- good for us... The CD opens with "Gully Breeze", where Emmanuel's style and chops are nicely refined with Fix's own accents. On "Bush Bash", he flatpicks up a storm while keeping a groove moving throughout. "Two Left Feet" wobbles and weaves as a testimony to his own inability to dance. Some fine Chet Atkins / Merle Travis thumb-picking drives "Something's Cooking"... Each song on the disc is played so cleanly, and like Emmanuel, melody always drives the song, never merely chops (though they are in evident display)." Kirk Albrecht 2007 "...Again Michael Fix made a superb album with the best of the past and 2 new songs played with fantastic skills in a wonderful ambiance." Henk te Veldhuis Bridge Guitar Reviews 2007 People who are interested in Chet Atkins Mark Knopfler Tommy Emmanuel should consider this download.
