

Mp3 Middleworld - Defiance Vs. Circumstance

[DOWNLOAD HERE](#)

expect soundscapes that creep eerily, soar beautifully, and groove brutally; it's music that makes you sit up and listen 10 MP3 Songs ROCK: Hard Rock, ELECTRONIC: Ambient Details: middleworld's long-anticipated full-length album, "defiance vs. circumstance", is finally here! after two years of molding and perfecting the music, it is now available for the masses. contrasting intense and powerful peaks with atomospheric and beautiful lulls is the theme and overall shape of this piece. "in a time when everything from "solid rock" and "new rock" are mashed into a familiar structure, content and attitude, middleworld delivers a landscape of stratospheric melodies and emotively driven arrangements. you cannot just passively consume this music; you must become a part of it."
