Darkwave synthpop. The first, full-length moodorgan record. 14 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: Synthpop Show all album songs: Nexus Songs Details: Reviews of the first, full-length moodorgan album: "Lush pop songs with electronic wizardry backing them up, Moodorgan's Nexus is a catastrophic collection of tight programming and performances, slick production, and an over-the-pop pop sensibility, all spun around quirky electronic tones, adding layers upon layers of sophistication..." -Alex Steininger, In Music We Trust inmusicwetrust.com "...the (often quite beautiful) music ... The influence of the steampunk cultural vision is evident in antiquarian mechanical noises and steam engine-ish whooshes and puffs. The vocals often entail a dreamy contrast to the instrumental parts, and the whole effect transports the listener into a kind of H.G. Wells/Jules Verne universe of fantastical imagination and machinery. It is as if this album is an artifact from another dimension; a time capsule intended to inform anyone discovering it of another, finer realm..." -Andrew Fenner, Morbid Outlook morbidoutlook.com
