Loaded with melodies and harmonies,songwriting of 60's Pop. 5 MP3 Songs POP: Beatles-pop, POP: British Pop Details: Based in Bristol and Swansea, England,the band is Stu and Simon both formally of The Sweetest Ache. 'Breaking up' is a 4-song EP, written and recorded at home with a lowtech influence to give it that honest feel, they both believe there is still a place for songs about heartache and loss. The music follows on from the Jaguar LP on 'Sarah records' and takes its influences in the great British songwriters. If Jaguar made you think then its time to think again because they've got another 10 years of stories to tell!
