

Mp3 Peter Sheridan - Songs From The Second Half Of Life

[DOWNLOAD HERE](#)

Nine original songs written in different styles but all with grownup themes love; birth; death; failed relationships; nostalgia. For those who are old enough to have experienced life various treasures. 9 MP3 Songs EASY LISTENING: Love Songs, EASY LISTENING: Mature Details: Peter Sheridan writes music with complex melodies and sophisticated lyrics. His songs cover the range of grownup experiences and the themes will resonate with those middle-aged adults who have truly experienced failed relationships, children, death and nostalgia for times gone by. The songs are intended to be listened to with a glass of wine. Peter Sheridan is a baby-boomer who has come to song-writing late in life. He is a successful dentist in Sydney, has an Order of Australia for his work in the multiple sclerosis field, and a lovely partner, Jan. Profits from this CD will go to help people affected by multiple sclerosis.
