Modern folk 10 MP3 Songs FOLK: Modern Folk, NEW AGE: New Age Details: Ralph Metzner is a teacher, psychologist and writer, whose books include "The Unfolding Self", "The Well of Remembrance" and "Green Psychology". Ralph states: "I call these Songs from the Well of Memory and the Tree of Visions. They have been inspired by experiences in shamanic journeys and divination ceremonies." Here's what my friends have said about this CD: Disguised as simple ballads, the songs of Bardo Blues reveal a map of consciousness that teach us about our human incarnation, from birth, down the roads of our life, and beyond. Metzners tunes are catchy; suddenly you'll be humming about your soul, your heart, and your life! Jamy Faust, psychotherapist, teacher and healer. Love your CD!! It's really an adventurous heartfelt work. Barbara Higbie, singer, composer, musician Your CD Bardo Blues has us looking to find out whether we are dead everytime we wake up. Ram Dass Thank you for the CD! Its very cool, humorous (in a good way) and carries a beautifully sincere message in every track. Sonja Drakulich (Stellamara)
