Empowerment, spirituality, knowledge, love, and life are expressed through this fusion of hip-hop, gospel, urban acoustic soul, and spokenword. 11 MP3 Songs HIP HOP/RAP: Hip Hop, SPOKEN WORD: With Music Details: Many people may wonder what exactly a lyrical abacus is. RheaSunshine possesses the ability to explain life with words and that is what makes it lyrical. But the abacus throws you off. What is an abacus? An abacus is the early math machine or the first computer, it was used to calculate numbers and Japanese theories believe that it can be divided into two sections representing the earth and the heavens, which means that there are levels of numbers that take you higher and higher in the world. RheaSunshine believes that words and the especially the words that the LORD inspires her to write will have that same effect on mankind. The CD Lyrical Abacus takes the music of the soul, gospel, R&B, jazz, and hip hop and then it combines them with lyrics that when calculated together will cause a rise in your consciousness and spirituality. Making this debut CD by RheaSunshine exactly what it is named to be a Lyrical Abacus. It is her life's experiences shared with insight and direction. RheaSunshine attacks and challenges hip hop through such tracks as Wodie Speaks and Beauty. She then turns around and finds addresses real love in The Love of My Life and I'd Rather Be With You. You gain insight into her heart through such tracks as Stand, Death 2 Me, My Soul Cries Out, and So I Write. You are guaranteed to find several tracks that will touch you and make you laugh, cry, reminisce or think about change.
