

Mp3 Rich Palmer - Sing A Song For Safety

[DOWNLOAD HERE](#)

Fun children's music in styles from pop to swing, reggae to bluegrass, and folk to rock. These songs are great for anyone that wants to help the children in their life learn more about how to be safe. 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Kids from preschool through elementary school can have fun learning how to be safe! Rich Palmer is a fire and life safety educator, as well as a songwriter. He uses his songs to educate children in the classroom, at community events, on cable television and anywhere kids can learn safety through music! Rich Palmer has been a fire and life safety educator since 1991. During this time, he has found music to be a tremendous vehicle for presenting safety education messages. The retention of messages delivered through music can be quite effective. By combining his skills in safety education with his talents as a songwriter, Rich can now bring you a valuable tool for your use.
