

# Mp3 Solespot The Ep - Hip Hop/rap: Hip Hop

[DOWNLOAD HERE](#)

Solespot The EP combines a mix of hard-hitting hip-hop, cutting edge R&B and heart wrenching soul. 7 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: Contemporary urban Details: Solespot is the beginning of a new era in music. Combining elements of soul hip-hop and other genres. The group/label consists of C20 (CDUB) and Supanova (The Souljah). Both are musicians with background in vocals and instrumentation. We offer our services as producers and will deliver a quality product. Our vision is to form a network in the DC Metropolitan area. There are many talented musicians and artists in this area that have been successful in VA MD and DC. The likes of The Neptunes, Timbaland, Missy, Mad Skillz, Trey Songz, Chris Brown, Raheem Devaughn, Nottz, Clipse, Fam-Lay and others that have made their mark and have been multi-million sellers. We are thriving to bring innovative sounds and versatile production. Solespot has been in the music producing business since 1999 when Illennium was formed. Producing albums for artists and doing shows from ATL to Pennsylvania. After a hiatus and some strategizing we are back stronger than ever. To represent those who have not been represented and bring a network of artists in this vicinity to the whole world. Bringing focus to this almost hidden talent pool. We specialize in making tracks, vocal arrangement, writing, and we are also musicians ourselves. We are coming forth with an album this summer that will be a mix of hard-hitting hip-hop, cutting edge R&B and heart wrenching soul which reflects our production styles. We have been in the game for a minute so don't get us twisted as being beginners in this game. We definitely have a sound that needs to be heard and will be heard. We will not stop and have faith in the services and products we are promoting to the world. We are interested in bring you quality production and a professional sound. If any artists are interested in getting production or web site promotion please contact us by click here. We are a very versatile production team. We can go from hip-hop to soul to rock. There are no limits. Solespot's style is

well defined. Both persons of the production team have a background in music from a young age. Have worked in many studios around the area and with different types of artists. Our vision is to provide a place for artist in the DC metropolitan area to display there skills and introduce themselves to the world through our site. Also if production is needed we can provide it to those who are having problems finding quality producers. Look no further. We custom make each track to the artist and also have a selections of tracks that are readily available. To check out samples of our work, please click [here](#). Anyone interested in putting their material on our site please send a bio (at least one good quality picture - head shots preferred). A brief description of your style and your goals as an artist and some of your tracks you would like to put in our featured artist gallery. Be sure to provide contact information and the name of you or your group. If you're under a label please provide that information and clear everything before promoting your music through this site. We are looking to take you as an artist to a new level and establishing ourselves as one of the top producing teams in the area and eventually the world.
