Her inspired vision led to Sun Palace and the critically acclaimed debut CD, "Into Heaven." She is the vocalist and composer of all the songs on "Into Heaven" with the exception of "Skating Away on the Thin Ice of the New Day," the classic Jethro Tull Hit Song. Andriette was raised in Fish Creek, Wisconsin, on a Cherry Farm/Art Colony, and now lives in New York City. Collaborating with guitarist John Rokosny (Smithereens/Carry Nation), and lead guitarist Tony Geballe (Discipline Global Mobile artist), Sun Palace began to enjoy national attention.
