an ocean of pure R&B and Funk that lays the foundation for the true meaning of groove... 14 MP3 Songs  
POP: Today's Top 40, URBAN/R&B: Contemporary urban Details: The Bandd Who are they; Im not surprised if you dont know. This is their first CD. They only have been on a few TV shows like: The Today Show, Tonight Show, David Letterman, American Music Awards. They also travel Around the world touring as the back up band for Little Richard. Also known as THE CHOSEN FEW they prefer to be called THE BANDD Watching these guys on stage is pure magic. They bring back the true musicianship of a live performance, that have been lost so long ago but is so refreshing to see today. This is one CD you need to jump on with both feet. This is guaranteed to be a collectors item.
