The Hank Cooper Band combines acoustic guitar with catchy powerhouse rhythms, and honest, mature lyrics. 5 MP3 Songs POP: Party Pop, ROCK: Acoustic Details: Rising from the small town of New Wilmington, The Hank Cooper Band brings a new element to the pop punk/acoustic genre. With each musician favoring their own genre of music and varying in age, the musical end product has a unique blend of driving drums, flowing bass lines, and melodic guitar riffs. The members of the Hank Cooper band pour their own history, experiences and personal triumphs in to their lyrics. The Hank Cooper Band recorded 5 of their strongest tracks at Soundscape Studios in Pittsburgh Pennsylvania. The recording process was long and tedious, but the end product is phenomenal. Track Listings and description: Standing in the rain (will blow the rough one out of the water) Find a new (song about changing and finding new things about everyone and everything. FYI: First song that I ever wrote) Unexpected (hard rocking tune, with a catchy blend of acoustic and heavy guitars) About Someone (John Mayer-esque guitar work with jazzy bass licks and deep autobiographical lyrics FYI: it's about a girl!!) Hour Glass (signature HCB driving acoustic, with strong vocal and harmony ideas)
