Psychedelic, Adult contemporary Alt-folk-Metal. Heavy, classic female rock. 10 MP3 Songs ROCK: Psychedelic, ROCK: Folk Rock Details: The Kissing Saints, an original band from North Central Wisconsin, invite you to pause, take a breath, and listen to their unique blend of esoteric vocals with psychedelic folk metal rock. This band delivers a strong performance with an attitude of self reliance and independence. Many people gathered together during the long winter months of 2003/2004 to record the songs of an ancient Sumerian Goddess. Together, with their talent and dedication, they produced "Ninhursag". This work weaves a tale of Sumerian mythology intertwined with knowledge from obscure ancient manuscripts. With a world filled with fear and destruction, The Kissing Saints present to you "Ninhursag". Take a trip through the alternative choices available from the chaotic ritual of society. Each song weaves a tale from our distant past with lyrics reminding us of the truth that resides within the heart.
