ARNOLD SCHWARZENEGGER DOING A RAP SONG??? This album features songs like this and other hilarious songs with infectiously catchy melodies. 12 MP3 Songs POP: Today's Top 40, POP: Quirky Details: In October 2003, Rick and Scott met for the very first time, at Scott's studio. They intended to record some character voices for a demo. This was to be used to get some voiceover work on radio. However, Rick mentioned his idea of creating an Arnold Schwarzenegger rap song, Scott flipped over the idea, and together they created the song "The Presinator". Now they have created an album filled with hilarious catchy pop and rock songs. The dance and original mixes of the song "The Presinator" at one time were voted as the ALL TIME #1 AND #2 comedy songs ever at garageband.com. Below are some rave reviews that people have given this song: I wet my pants - That is the funniest thing I have ever heard! (3to1rocks from Orlando, Florida) Funniest Song I've Heard It's impossible to dance when one is laughing as hard as I did. (crashMan- vancly from Waynesville, Missouri) I want this in my CD collection. It makes me laugh every time! (always_a_rhythm from Mullica Hill, New Jersey)
