21 original piano/orchestral compositions based around scenarios, true life stories, and individual life experiences. 21 MP3 Songs CLASSICAL: Film Music, CLASSICAL: Orchestral Details: I started playing the piano when I was 15. I couldn't afford lessons, so I spent MANY hours teaching myself to play by ear. When I went to college, I was able to start playing a REAL piano, and began writing my own short compositions. These eventually turned into final finished pieces. I find that I think of many of my melodies when I'm on the bus, or walking down the street, and have to quickly hum it into my dictaphone to remember it for when I get home! Music should have no 'rules' or boundaries. No minimum/maximum length. The only requirement is that it is honest and heartfelt. This album is one of my many explorations of this...
