

101 Things Everyone Should Know About Economics - Peter Sander

[DOWNLOAD HERE](#)

What you don't know about economics can hurt you--now more than ever. This easy-to-understand guide answers all the questions you need to know to secure your financial future, such as: What does it mean to my paycheck when the Fed lowers or raises interest rates? What's the difference between bonds, securities, and derivatives--and which should I invest in now? What does Keynesian economics have to do with my savings? For those people whose heads spin when reading the business pages of the newspaper, here's a roadmap through the economic jungle. In simple, plain language, Peter Sander explains how economies work, why they grow, how they contract, and what the government can and can't do to help them. Most important, he tells you how all this affects you--and what kind of changes you're going to see in your finances as a result. Economics has been called the "dismal" science. But it doesn't need to be gloomy or impenetrable. This book is an essential guide for anyone who wants to understand where the economy is today, where it's going, and what it means for the rest of us. Author: Sander, Peter Publisher: Adams Media Illustration: N Language: ENG Title: 101 Things Everyone Should Know About Economics Pages: 00256 (Encrypted PDF) On Sale: 2010-10-30 SKU-13/ISBN: 9781440503504 Category: Business & Economics : Personal Finance - Investing
