Margrit Coates's new book is essential reading for anyone who loves animals and who wishes to improve their understanding of animal behaviour. One of the world's leading animal communicators and healers, Margrit has many years' experience working closely with species of all kinds - from horses, dogs and cats, to wild life, rare breeds and rescue animals. In Communicating with Animals, she draws upon her very special gift and amazing experiences to help us connect with animals too. Using intuition, insight and common sense, she shows how to tune into what they are really thinking and feeling, helping us bond with them at an incredibly deep level. Her powerful techniques range from communicating with the furry, feathered and scaly friends who share our homes, to larger animals such as horses and even Anne the Elephant, as well as other non-domestic creatures. Ultimately, Margrit's wish is for each one of us to be able to tune into all life around us. Besides practical exercises and handy tips, Communicating with Animals is brimming with heart-warming stories - making it a great read and a truly inspirational guide.
