

Ethics And The A Priori

[DOWNLOAD HERE](#)

This long awaited collection comprises some of the most influential of Smith's essays. Over the last fifteen years, Michael Smith has written a series of seminal essays about the nature of belief and desire, the status of normative judgment, and the relevance of the views we take on both these topics to the accounts we give of our nature as free and responsible agents. This long awaited collection comprises some of the most influential of Smith's essays. Among the topics covered are: the Humean theory of motivating reasons, the nature of normative reasons, Williams and Korsgaard on internal and external reasons, the nature of self-control, weakness of will, compulsion, freedom, responsibility, the analysis of our rational capacities, moral realism, the dispositional theory of value, the supervenience of the normative on the non-normative, the error theory, rationalist treatments of moral judgment, the practicality requirement on moral judgment and non-cognivist. This collection will be of interest to students in philosophy and psychology. EAN/ISBN : 9780511227448 Publisher(s): Cambridge University Press
Format: ePub/PDF Author(s): Smith, Michael
