Introducing The Explosive Network Marketing Jumpstart Guide! "Discover How YOU - Or Anyone - Can Explode Your Network Marketing Business To GREATER Heights As Practiced By TOP Networkers From Around The World!" If You Have Not Been Achieving The Kind Of Success You Desired In Your Network Marketing Journey Up Until Now, Then This Is Going To Be The Most Important Letter You Will Ever Read! L-E-V-E-R-A-G-E They concentrate on small targets and small goals and never put the entire network into perspective. Here are some examples of goals that could keep a network marketer "average," when they could be wildly successful: Disorganization. As a network marketer, you will likely have to manage dozens of contacts, hundreds of customers (if it is your product), and all sorts of payment and scheduling information. If you want to be successful, you must have a clear, workable system for every activity you engage in. Marginal Focus. While the small gains are important too - in fact, they will make up the bulk of your activities as a network marketer - it is more important to focus on big gains, which take more work, but when achieved, will completely gain how your network functions. An average network marketer often wont see beyond what is marginal. Unrealistic Goals. This almost always kills

anyone who attempts to create a network or start an Internet business: they set unrealistic goals and attempt to achieve them in an unrealistic period of time. The end result is a complete disaster. Why Give In To Being Average When You Can Join The Ranks Of TOP Networkers? The major difference between most successful and unsuccessful network marketers is that successful network marketers have gained significant leverage over a long period of time. It's often easier said than done, however. And that's exactly why you should be reading every line of this letter.
