Congratulations!! Alan and Lita Blake along with guitarist Marlon Merritt have been invited to perform in St. Kitts island for the Prime Ministers' annual New Years Ball on January 1st, 2006!! Alan and Lita Blake are unparalleled in the underground independent music scene. The husband-wife group has an innovative sound that fuses several genres of music to create an intriguing resonance. Comprised of classically trained and accomplished jazz musicians and vocalists, Alan and Lita have a style all their own. It's a fusion of jazz, dance, r&b, soul, ethnic and popular music that transcends traditional borders. Alan and Lita Blake, a Georgia based duo, have toured and recorded with artists such as Rachelle Ferrell, Grover Washington Jr., George Howard (vocals on "Dancin' in the Sun" and keyboards on "Asphalt Gardens") , Omar Hakim, Kevin Eubanks, Jean Carne, John Blake Jr., Gerald Veasley and have performed at functions for 100 Black Men, Jack and Jill, the Links, Morehouse School of Medicine, "Sister Sister" star Frank Reid, former Mayors of Philadelphia Wilson Goode and Ed Rendell, the Philadelphia 76ers, as well as events attended by Samuel L.
