

Mp3 Boxkar - Rock: Modern Rock

[DOWNLOAD HERE](#)

The musical style of this CD would probably be considered as modern pop-rock. Rock music with strong musical hooks, catchy chorus and a healthy dose of three part harmonies. 11 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: The band started in the Fox Valley of Wisconsin but very quickly grew to be well known throughout the music hot spots in the Midwest. Boxkar has played shows with bands like Cherry Monroe, Ingram Hill, Cowboy Mouth, Third Eye Blind, Everclear, Josh Kelly, Three Doors Down, Hillary Duff, Fuel, Ryan Cabrera, Great White and recently at the Viper Room in LA with Kevin Martin from Candlebox and Green Leaf Avenue. In the summer of 2003, they opened for the BoDeans, putting on a show that drew nearly 9,000 people. In January of 2005, they were the only unsigned band to perform at the Presidential Inauguration in Washington DC. They have received incredible support from radio stations such as WIXX(CHR, 100k watts), calling their songs "Potential hit after hit" and WAPL(CHR, 100k watts), calling their performance "The total rock and roll live show!" They also drew attention from industry cats such as Bob Destocki, once the Promotions Director for Warner Bros. and a former A R Director for Elektra/Asylum. He stated that Boxkar has everything needed to be a player in today's music market. Monty Powell, a CMA award winning producer and writer of seven #1 songs selling over 35 million units, calls the songs infectious and boasts that Chris Szebeni(front man) is a superstar in the making.
